

1 this: the end you seek, if I understand, would you not be  
2 better of if the matter were changed so that it read as it  
3 is printed and then at the very end simply say "the provi-  
4 sions of this section shall not apply to the state public  
5 school system and institutions of higher learning"?

6 Then there can't be any question in my mind at  
7 least, that what you are talking about is what you are  
8 saying.

9 This whole section then would not apply. I think  
10 there is confusion the way it reads, "except that", and  
11 then in the end you say "as provided by law". I am not  
12 offering any amendments. I simply suggest to you that there  
13 is this state of confusion.

14 THE CHAIRMAN: Delegate Sherbow, the Chair would  
15 observe that this is the kind of confusion that could  
16 be eliminated by the Committee on Style, so long as the  
17 record is clear, and I think that the record indicates  
18 very clearly that Delegate Bard's intention is as you have  
19 just stated it.

20 The Committee on Style could make such changes  
21 as you suggest or any other to carry that into effect.
